part 2: detailed proposal

Please provide in approximately 250 words a detailed description of the project for which you propose to conduct travel-related research. Please be sure to include any affiliations you have in your proposed field location and how travel and field research will advance your project and/or progress toward your degree. Please also reiterate the known period of travel, to where you propose to go and be sure to clarify the justification for specifically proposed locations and how the travel grant will assist you in realizing your project.

part 3: project itinerary and budget

Please provide a detailed itinerary with dates, mode of transport and budget figures for the entirety of your trip, but keep in mind that funds are limited to \$1500. If there is a specific part of the trip you would use grant funds for, please indicate that clearly.

part 4: please attach a cv and 5+ work images
