

House Rules and Regulations

House Rules and Regulations may be updated over time to address the needs of both Residents and Building Management.

1. Where applicable, service entrance must be used when Resident is entering the building with Resident's bicycle.
2. The sidewalks, entrances, public halls, elevators, and stairways shall not be obstructed nor used for any other purpose than for ingress to, and egress from the apartment.
3. No Resident shall make or permit any disturbing noises in the building by herself/himself, family, friends, guests or staff, nor do or permit anything by such persons that will interfere with the rights, comforts or convenience of other Residents. Residents and their guests are prohibited from creating any disruptions or disturbances that interfere with other occupants or the operation of the building. It is the responsibility of the occupants to initiate communication and address concerns regarding the disruptions/disturbances directly with the individuals creating the disruption/disturbance.
4. Each Resident shall keep the premises licensed in a good state of preservation and cleanliness and shall not sweep or throw or permit to be swept or thrown from the premises licensed, any dirt or other substance into any of the corridors or halls or stairways of said building, or out of any window or door of the building.
