PROFESSIONAL PRACTICE

2013-Present **MAKE, THINK, DESIGN.**
www.makethinkdesign.com
Founder

Make, Think, Design is a creative agency that manifests ideas from creation, to iteration and realization. Through our work, we seek to uncover, build upon, and create meaningful relationships through design at various scales. Our projects and collaborations coalesce context, material, time and detail to push for new approaches to process, program, and site.

Our consulting arm focuses on the development and strategic innovation of business design and development. We develop narrative, visual and spatial identities, and assist to craft representations that synthesize vision and collateral to drive innovation and growth in young companies.
